

Esta aplicación consiste en administrar os campos que persoas autónomas poidan despois alterar para exercer a venda dos seus productos.

Os tabuladores indican a páxina, marcada, na que o usuario se atopa, podendo crear ou borrar páxinas.

En cada páxina un pode engadir grupos, nos cales irán os campos asociados a cada grupo.

Interfaces:

1. Escritorio

The desktop interface features a sidebar on the left with a 'Menu' dropdown containing 'Submenu #1' and 'Submenu #2'. The main content area has a top navigation bar with tabs labeled 'Tab/Page #1', 'Tab #2', '#3', and a '+' icon. The user 'Baker' is logged in, as indicated by the profile icon and name in the top right. The form is organized into two sections: 'Group #1' and 'Group #2'. Each group contains four fields, each with a 'Value...' placeholder, a 'Required' checkbox, and a 'Dropdown' menu. A 'Save / Add Group' button is located at the bottom of the form.
